

Mark 7:1-13

What do you think is the problem with the world?

1. What is it that the enemies of Jesus want?

What does Jesus tell them four times?

v7, 8, 9, 13

What does this all mean to us?

How might we think we please God?

What builds bridges within Christian communities?

What religious rules or traditions might we have to louse?

2. What is that Jesus wants?

Do you think Jesus is argumentative?

What is the only way of getting into God's good books?

Jim Paker, *'The saving power of the cross a not depend on faith being added to it; it's saving power is such that faith flows from it.'*

Please please put your confidence and trust in the person of Jesus.
